

NCCE SCHOLARSHIP PROVIDER

Twenty-five \$6,000 renewable awards in partnership with NCCE

At America's Career University® students are positioned for long term success...

and highly sought after and valued by employers because of our philosophy of: Best Fit Employment — the right student, with the right skills, prepared for the right job, with the right employer, in the right field.

“Interns from the College of Business at Johnson & Wales have been a valuable asset to our operation. I find them to be intelligent, exceptionally hardworking and very focused on growing as new professionals while providing the best possible services to the company.”

Mary Connor HR Manager
Cox Communications, New England
