

Before they leave our classrooms to work in the real world,
we'd like for them to work in the real world.

Real-life experience connects our classrooms to the community.

At Miami Dade College, we are committed to giving our students the competitive edge in the marketplace. Through our co-op programs, students are given the opportunity to work with professionals in the field, obtaining valuable real-life work experience and knowledge.

CO-OP PROGRAMS OFFERED BY :

- School of Architecture & Interior Design
- School of Business
- School of Computer and Engineering Technologies
