

Your future is within sight.

Bausch & Lomb is committed to making your co-op/internship experience an outstanding learning opportunity. Our co-ops/internships provide:

Project Assignments related to your field of study and the chance to exchange ideas across the world

Access to Senior Management and Executives at information sessions, workshops, social events and recreational activities

The chance to showcase your skills through formal presentations to Bausch & Lomb's senior executives

Professional development gained from forums and information sessions presented by top members of our various business functions

Leadership opportunities through volunteering as a Mentor with our high school Summer Youth Employment Program

Bausch & Lomb

Perfecting Vision. Enhancing Life.™
