

The Future.

Some Predict It.  
**We Lead It.**

Why follow in others' footsteps?

Right now EMC Corporation is looking for motivated students to join Massachusetts' number one global high-tech company — and the world leader in today's exploration of information lifecycle management. EMC is the information storage standard for every major computing platform, serving as caretaker for more than two-thirds of the world's most essential information.

At EMC, you'll be part of a dedicated team building a showcase-quality organization, one that is receiving increased recognition both for process excellence and for outstanding integration and utilization of EMC products.

**CO-OP OPPORTUNITIES**

- Software/Hardware Engineering
- IT Technical Solutions
