

At UPS,  
the sky is the limit.

Your future is wide open. There are paths available to you that many people only dream about. Some that you may not even know exist, and we are waiting for you to discover. If you are a recent graduate or a student working toward a degree in Engineering, Finance, Operations Management, Marketing, Sales, Business Development, Information Systems, Logistics or other areas of study, visit [www.upsjobs.com](http://www.upsjobs.com)

Align yourself with a company that is committed to its employees and has received numerous accolades that include:

- America's Best Companies for Minorities (*FORTUNE* magazine)
- Best Company Benefits (*MONEY* magazine)
- Most IT-enabled Organization of the Year (13th Annual Computing Awards)
- One of America's most supportive companies of both Black and Hispanic engineering students (fourth annual survey by *US Black Engineer and Information Technology* magazine and *Hispanic Engineer and Information Technology* magazine)
- 2006 Women Impacting Public Policy (WIPP) Corporate Partner Award
- List of the top 100 most socially responsible U.S. companies (*Business Ethics* magazine)
- Corporate Equality Achievement Award (Georgia Equality Board of Directors)
- Top 25 Companies for African-Americans (*Black Professionals* magazine)

UPS is an equal opportunity employer

WHAT CAN BROWN DO FOR YOU?®
